**O**ak Park Avenue Realty, LTD., a MACK Companies affiliate, is now expanding its real estate services to include the sales and leasing needs of all Chicago area real estate consumers. The agency previously handled transactions solely for the MACK real estate-related family of companies.

Oak Park Avenue Realty, LTD. is a licensed full service real estate brokerage that provides leasing, selling, buying and property management services to real estate owners throughout Illinois.

The expansion announcement was made by Victor Gutierrez, managing broker and executive director of Oak Park Avenue Realty, who will spearhead the expansion.

Gutierrez has an 18-year background as a specialist in all aspects of the real estate industry. He is a member of the National Association of Realtors, the Illinois Association of Realtors and MORE. He has trained, managed and mentored more than 230 brokers and has been responsible for \$350 million in assets sold. His expertise includes the sale of single-family homes, multi-family homes, commercial real estate, mixed use properties,

condominiums, townhomes, luxury estates, office space, farms, vacant land and time shares.

"My philosophy is simple and straightforward. I have built my business one relationship at a time," Gutierrez said. "I recognize, understand and embrace the idea that the most important assets and key link to the long term success of our business is the satisfaction of home buyers and sellers.

"At Oak Park Avenue Realty, we are totally customer driven. To maximize our effectiveness, we carefully research current market conditions, analyze shifting market trends and employ the most sophisticated marketing and technology tools. Our clients can be confident that we are committed to providing the very best level of service and representation when it comes to the sale of their homes."

The present team at Oak Park Avenue Realty includes specialists in leasing, brokerage and property management. The agency is equipped to handle the sale of a complete portfolio of property types. These specialists include two brokers who are in the top 1 percent in sales with the Chicago Association of Realtors.

"With the expansion of the agency, we will reach more real estate consumers, and we are actively recruiting talented team members who want to be part of our dynamic growth in residential and commercial sales, leasing and property management," he said. "We offer extensive career education for those who join our dynamic team."

Oak Park Avenue Realty is located at 6800 Centennial Drive, Tinley Park, IL 60477.
